What do we propose?

One day / one solidarity weekend in June or September, where your club organises a padel tournament to raise funds for research to cure childhood blindness in Usher syndrome type 1B.

Usher syndrome Type 1B is a rare disease that causes profound bilateral deafness and vestibular dysfunction (balance disorder) from birth, and progressive blindness from childhood.

How does it work?

Option A — Tournament with solidarity registration

The club organises a tournament and sets a registration fee (total or partial) for SSNEU. Simple, direct and very effective.

Option B — Free donation by QR

During the event, participants and companions donate freely from their phones. No financial commitment for the club.

Both options can be combined to maximise impact!

What do we offer you?

The Plug & play Kit

-  • Personalised poster with your club's name and logo.
-  • Informational triptychs/postcards about the organisation and Usher.
-  • QR code linked to SSNEU's donation page.
-  • Event page on the SSNEU website.
-  • Visuals and videos to project on club screens.
-  • Content ready for social media.
-  • Support in communication and event coordination.
-  • Final impact report: how much was raised and what it enabled.

Why SSNEU?

Save Sight Now Europe (SSNEU) is a scientific foundation based in Switzerland and Spain that accelerates research to prevent, cure, or reverse childhood blindness in Usher syndrome type 1B.

Every euro raised goes entirely towards accelerating this goal.

Since 2022 we have invested €2.5M in research programmes working with institutions such as: Institut de la Vision (Paris), Institut Pasteur, IOB Basel, RetinAI, Hospital Sant Joan de Déu (Barcelona), and University of Wisconsin-Madison (USA)

Tax benefits

Donations to Save Sight Now Europe are tax-deductible in both Spain and Switzerland.

In Spain, donations are covered by Law 49/2002: corporations may deduct up to 40% in Corporation Tax (50% for recurring donations). In Switzerland, as a recognised non-profit organisation of public benefit, donations are deductible up to 20% of net income under federal and cantonal tax law. We issue an official donation receipt in all cases.

For donations from other countries, we recommend consulting your local tax advisor to confirm deductibility under applicable law.
